EITC Educational Improvement Tax Credit Program

Does your business pay state taxes?

The Educational Improvement Tax Credit (EITC) Program allows you to divert those tax dollars to support LOCAL families to send their children to schools of their choice.

If each of the 60,000 students receiving EITC scholarships in 2012-13 failed to receive scholarships in the next school year and were instead placed into a public school, schools would require an additional \$880 million in revenue to handle the additional enrollment."

The Commonwealth Foundation

The Community Foundation is an approved organization to administer this program for Pre-K and K-12. In 2014, we awarded over 700 scholarships totaling over \$388,000!

Community Foundations Centennial in 2014

The community foundation field is one of the fastest growing philanthropic sectors in the United States today. Community foundations build and strengthen communities in a multitude of ways, including providing the means for a wide range of donors to create permanent funds to meet critical needs. Though the first community foundation was launched just 100 years ago in Cleveland, Ohio, today there are more than 750 community foundations in the United States.

Your local Community Foundations accepts gifts of various sizes and types from private citizens, local

companies, other foundations and Educational Improvement Tax Credit dollars from the Commonwealth of Pennsylvania. Nearly every type of gift—cash, closely held stock, and insurance—can be contributed to a community foundation.

Community foundations range greatly in asset size, but all funds are invested in diverse portfolios and management is a major aspect of community foundations' work. All share the common goal of serving donors, nonprofit organizations, and their communities.

Community Foundation Wins Award

Board Secretary/Treasurer Autumn Vorpe-Seyler and Executive Director Mindy Knappenberger accept the "Nonprofit of the Year" award from the Alle Kiski Strong Chamber of Commerce at their annual Gala in November.

"Giving from the Heart" ~ the Community Foundation's 2014 Annual Dinner

Each table at our dinner this year had the privilege of evaluating grant proposals and awarding a \$300 "mini-grant" to a deserving charitable organization. Thanks to the generosity of Richard G. and Barbara A. Snyder, 14 mini-grants were awarded that evening.

The highlight of the dinner was the children sharing the result of their very own grant activity! Zane Coil and Caleb and Grace Osborne creatively made the children's three grant proposals "come to life" by creating models illustrating the needs. With Claire Osborne's leadership, the children chose to make a \$300 mini-grant to The Blind Association of Butler and Armstrong Counties. The children wore blindfolds to see what it might be like to shop for groceries as a person without sight, using Molly Coil's toy shopping cart and play food.

Claire said, as she spoke about the children's experience, "It is imperative that we show our children how to be generous when they are young. If we wait until they are adults or even teens it will not be second nature to think of others with a giving spirit. It is a joy to work with these children, watching them problem-solve, make hard decisions, and give generously. They will be sitting in YOUR chairs in 30 years!"

We need to raise charitable children who are generous and loving and kind. Thank you for being examples in our community.

Community Driven **Grantmaking**

"Your efforts have provided an outstanding benefit to the entire community."

Kittanning Public Library

"We applaud your vision. The Day of Giving provided marketing opportunities for nonprofits, helped us mobilize our donors, and produced valuable donations to support our causes."

"What a great collaborative effort! We are pleased that 75 donations were made...this included six new donors. The Community Foundation's 'Day of Giving' was a spectacular success!" Progressive Workshop of Armstrong County

"A special 'Thank You' to the Armstrong County Community Foundation for sponsoring the Day of Giving! Thank you for your kindness and caring for so many kids and families in our area."

We at the Community Foundation understand that our role is to provide a framework for our community's philanthropy. The Foundation's Board of Directors, Executive Director and staff are all part of this community. We make it possible for your grants, gifts and scholarships to go back to the people of this community, and to bring your charitable goals to fruition. Therefore, rather than the "Report to the Community," you have in your hands our "State of the Community Report."

Thank you for being our generous partners in giving. Together, we will make 2015 a banner year for the Heart of Western Pennsylvania as we enrich this community we call home.

Get Involved. Give Back.

Where "young" and "professional" are self-defined, we are setting out to make positive changes through **philanthropy** and **networking.**
